

RE: Letter of Reference
Atomic Pest Control

To Whom It May Concern:

Orange Tree Golf Resort has partnered with Atomic Pest Control since 2008. During our time with Atomic Pest Control, we have had excellent results and customer service. Being in the hospitality industry, we always strive for the best for our guests, and try to only include partners who will provide the type of service our customers expect from us.

Atomic Pest Control and their technicians have been thorough in providing pest, termite and bee control for our resort, and when an emergency arises, they understand our business, and respond according to the demand. I appreciate the professional management, which allows me to continue with my schedule, as I know they will take care of my concerns when I call, e.g. Bees during a wedding.

With confidence, I highly recommend Atomic Pest Control to you for their professional service.

Sincerely,

Jeff White - Engineering Manager
